Indianapolis Motor Speedway is known as the racing capitol of the world. The Indy 500 is billed as “The Greatest Spectacle in Racing”. Performance racing at its best! High speed, full throttle with a whole lot of horse power.

The Society of Professional Locksmiths (SOPL) understands performance and is driving some of the locksmith industrys high performance instructors to you! Join us in the winners circle and feel the *Power!*

William Neff, CPP, PSP, CML Instructor has worked in the security industry for over 39 years and is president of Neff’s Safe Lock and Security, Inc., AmericanAutoLock.Com and Keystone Access. Bill is a certified instructor and has taught various advanced level classes to fellow security professionals at Lockmasters Security Institute as well as for the CIA, FBI, Navy, Army, Air Force and Coast Guard. He also has taught abroad England, S. Korea, China, Australia and New Zealand. Bill Neff is recipient of numerous national and international awards in the security field. He is an instrument rated pilot and has participated in local and state politics running for State Senate.

Mark Smith, CPL Assistant Instructor holds a BS in electrical engineering from Penn State and has worked over 29 years in the electronic industry. Mark Smith in his early years worked for the Department of Defense in development of electronic surveillance and after leaving DOD and entering into the private sector has over 20 years of hands on experience in Access Control, Alarm and Security Video Systems.

Joe Dalessio, Instructor is an experienced highly successful marketing, sales and business development executive. His hands-on technical aptitude and enthusiastic attitude make him an one of the top business instructors in our industry. Beginning his career in the family locksmith business, followed by leadership positions in manufacturing and wholesale distribution provide a most unique viewpoint benefitting all class attendees. Joey has a history of helping small business owners grow their business without capital investment. He has taught hundreds of technical and business classes throughout the USA. One thing is certain, you will not fall asleep in any of his classes!

Bob Tegge, Instructor is the President of Lock1Security Buying Group,LLC. and has over 30 years of sales management and marketing success in the construction, furnishings and security industries. Past president and CEO of Meridian Building & Design, Inc. He has authored numerous articles on business and sales topics. Throughout his career he has consistently been a multi-million dollar producer.

Barry Campbell, Instructor is the owner of Altic Lock Service and serves as the Director of Operations of the Society of Professional Locksmiths. He is a member of the International Code Council and author of "A Homeowner's Guide to Residential Door Security." Barry's first job was with Cole-National Corporation, before working for the Security Department at Valparaiso University, where he earned his Bachelor of Arts Degree in Criminal Justice. He has worked in the security field in a variety of positions and was also a federally-licensed firearms dealer and gunsmith. Barry has run for partisan political office as the Libertarian candidate for City-County Council, Sheriff, U.S. Representative, and State Senate. He served as a Delegate to the National Libertarian Convention in 2002 and Chairman of the Libertarian Party of Marion County from 2007 to 2009. He is a recipient of the "Lights of Liberty" award in 2002. He is a advocate against domestic violence and educates support groups and crime victims. Barry is also a recognized contributing author for Angie's List

High speed, full throttle with a whole lot of horse power!

Nathan Wood, Instructor is a U.S. Navy veteran who has spent the last four years helping locksmiths around the country market their company and fight the scammers. He is a YouTube Expert, voice actor and a private consultant to companies with specialized marketing needs. Nate has leveraged the “Human Element” within the social media universe and engages the enemy with proven methods and content which Google favors. He has produced over 300 videos including his most recent work "How to Market Your Locksmith Business and Beat the Scammers". Nate has developed over 100 consumer targeted Public Service Announcements as well as impact marketing materials for the Society of Professional Locksmiths.

Bob Rutherford, Instructor has worked as a professional locksmith and safe technician for over nearly 40 years in the NJ/NY metro area. He specializes in safes and is GSA Certified. As a certified instructor and author of a newly published book on safe servicing and the art of manipulation, Bob shares his passion and knowledge with other professionals using a comprehensive hands on approach.

Danny Gurvis, Instructor is a highly qualified Master Locksmith, having completed a rigorous, four-year apprenticeship in 1988 while living in Australia. He has experience in most facets of the locksmith industry and represents a number of specialized products from quality international manufacturers including Meroni, Lockwood, Bilock, Hooply, Cowdroy, Lock Focus. In addition, he has training in business management, marketing and sales management. He operates a family owned locksmith business, Master Key Systems America LLC located in St. Louis, Missouri.

Lynn Esienhour, Instructor is currently Product Engineer, Closers & Exit Devices for PDQ Industries, Leola, PA. He has more than 30 years of experience with manufacturers, in the Architectural Hardware Industry. Career responsibilities have spanned R&D, Product Testing, Engineering, Technical Service, Customer Service, Marketing, Sales and Product Training. His Bachelor’s Degree in Education helps lend a spirited twist, to the seminars he presents. Lynn takes a “hands-on” approach to hardware, emphasizing the “keep it simple” principals and has lead seminars throughout the United States and Canada for Locksmiths, Contractors, End Users, Architects and Hardware Distributors. As an active member of the Builders Hardware Manufacturer’s Association, he sits on several committees, related to the ANSI product performance standards. A contributor to industry trade publications, Lynn is a past recipient of the Door & Hardware Institute’s Robert G. Ryan Editorial Award. When not “working” on hardware, Lynn enjoys high performance cars, boating, music and spending time at the beaches in Delaware.

Tom Seroogy, Instructor is a nationally recognized automotive authority and automotive forensic locksmith, Tom was the founder of the original *PUREAuto* automotive locksmith training program and has worked with All Lock BWD, Strattec, and many other automotive specialty companies. As past editor of the National Locksmiths magazine he has authored numerous industry articles and instructional manuals. He has been credited with building the SDRM model for the NASTF and continues to provide industry support in the development of the Vehicle Security Technician (VST) online training and certification program. Tom is considered as a content expert and a sophisticated instructor.

Tom Lynch, Instructor has participated in many aspects of the trade and brings a fresh perspective to the industry as Founder of the Society of Professional Locksmith, Lock Radio and the Security Technical Institute. He has instructed for NYC Police Academy, HPC, Mul-T-Lock USA, Lockmasters, American Auto Lock, Mark Bates, Sharpe Communications and was part of the original *PUREAuto* team of instructors. As a professional locksmith, inventor, author, contributing technical writer and certified instructor, Tom is credited with developing and deploying the first complete online learning management system and blended learning environment with proficiency testing for the locksmith industry.

Harvey Arkawy, Instructor a Locksmith for more than 35 years, he owned and operated a successful Locksmith business before working for Lockheed Martin Aeronautics in 1985. He specializes in Master Keying as well as electronic access control and has earned his Federal GSA Inspector's Certificate in 1994. His company Rabbitsoft is well known for developing locksmith software. Harvey is the program administrator for The Security Technical Institute (STI), and the Society of Professional Locksmiths where he teaches advanced master keying.

Tim Tracy, Instructor began locksmithing at the age of 12 and has over thirty years in the electronics industry with 25 of them in telecom. He specializes in automotive key systems with an emphasis on European vehicles. He is known for his inexpensive ways to program keys using alternative programmers as well as how to use the more advanced diagnostic tools such as the Abrites and BMW multitool. His hands on experience in troubleshooting, fiber optics and tuning up optical systems that are the backbone of the internet, has provided the locksmith community with valuable guidance and support.

High speed, full throttle with a whole lot of horse power!

VISIT Indy

TRAVELING TO AND AROUND INDY IS EASY, CONVENIENT, AND AFFORDABLE.

INDIANAPOLIS INTERNATIONAL AIRPORT

As the first terminal designed after 9/11, IND combines state-of-the-art security measures with soaring, smart design and public art. Indy's airport was the nation's first LEED-certified terminal campus and is home to the largest airport-based solar farm in the nation. All this is a low-traffic 15 minutes from the central business district.

- 2013 "No. 1 airport in North America"
- Airports Council International
- "Best Overall Passenger Experience"
- J.D. Power and Associates

TRAIN & BUS

Other options for reaching the city include Amtrak, Greyhound, and Megabus, which all have hubs in the downtown area. amtrak.com, greyhound.com, us.megabus.com

GO EXPRESS TRAVEL AIRPORT SHUTTLE

This express, nonstop bus service runs airport to downtown every 30 minutes from 8 am-11 pm for \$10 one way. Passengers board the shuttle at Zone 7 of the airport's Ground Transportation Center. Cash payments not accepted, credit cards only.

goexpresstravel.com/indy_express

INDYGO BUS SYSTEM

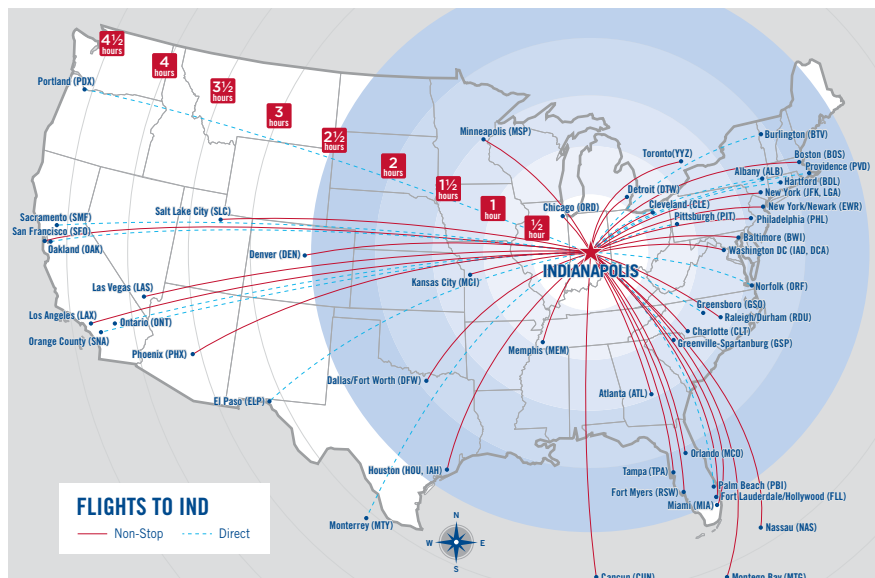

Bus routes operate all around the city, including a fixed route to and from the airport, for as little as \$1.75 per ride. indygo.net

TAXIS

Taxis are readily available at the airport, Indiana Convention Center, Circle Centre mall, and major hotels. A typical fare from airport to downtown is \$35, and select taxi companies offer a \$5 flat rate fare for trips within downtown (bordered by the White River, 12th Street, I-65, and I-70).

UBER & LYFT

Car service in addition to traditional taxis is available through Uber and Lyft. Both app-based services connect visitors with resident drivers. Requesting and paying for the ride are done via your mobile phone. uber.com, lyft.me

DRIVING

Known as the Crossroads of America, Indy is within a day's drive of over half of the country's population. Traffic congestion is a rarity in Indianapolis, and visitors find the city's street layout straightforward and easy to navigate. Downtown features over 70,000 parking spots.

ELECTRIC CAR SHARE

Indianapolis launched the country's largest all-electric car share program in May 2014, with a fleet of 500 cars and 1,200 charging stations at 200 locations around the city. This \$35-million investment in green transit makes traveling to surrounding attractions, award-winning restaurants, cultural neighborhoods, and meeting venues more convenient for all visitors.

BIKING & BIKE SHARE

Away.com named Indianapolis one of the best cities to see from a bicycle seat in 2012. Bicycle rentals are available at Indy Bike Hub at City Market and Wheel Fun Rentals in White River State Park. Several hotels offer complimentary bicycles to guests. The innovative Indianapolis Cultural Trail anchors Indy's new bike share program, with 240 bikes at 23 stations around downtown. *IndyBikeHub.org*, *wheelfunrentals.com*

ACCESSIBILITY

In 2009, Indy was recognized as the Accessible America Competition winner by the National Organization on Disability and touted as a national model of a disability-friendly city.

Walking

National journalists have proclaimed Indy one of the **most walkable cities** in the country. On foot, visitors can reach hundreds of restaurants and attractions.

An expansive network of **climate-controlled skywalks** connects 4,700 hotel rooms with the Indiana Convention Center, Lucas Oil Stadium, and a four-story mall with hundreds of specialty shops and dining options.

When visitors want to be outside, the

Indianapolis Cultural Trail offers a safe and scenic greenway for pedestrians to reach dining, shopping, and entertainment in the city's cultural districts.

VISIT Indy

INDIANAPOLIS MONUMENTS & MEMORIALS

Soldiers & Sailors Monument

Towering 284 feet above the street, the largest Civil War monument in America dedicated to the everyday soldier and sailor stands proudly in the heart of downtown on Monument Circle. The Colonel Eli Lilly Civil War Museum is located directly under the monument.
Monument Circle, 317.232.7615

Indiana World War Memorial and Veteran's Memorial Plaza

Dominating the five-block picturesque setting of War Memorial Plaza is the Indiana World War Memorial. This mausoleum-style limestone and marble memorial was originally built to honor World War I veterans but now pays homage to Hoosiers who served during all wars. Veteran's Memorial Plaza features an Obelisk Fountain which is said to represent "the hopes and aspirations of the nation, a symbol of the power of nature to reproduce and continue the life of the country."

431 North Meridian Street, 317.232.7615

USS Indianapolis

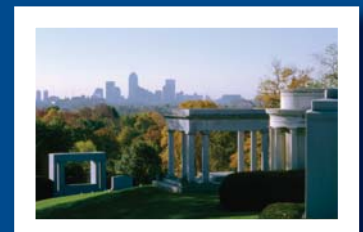

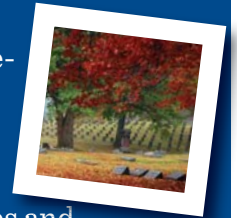

The USS Indianapolis was attacked in the Philippine Sea on July 30, 1945, shortly after delivering critical parts for the first atomic bomb. The ship sank in 12 minutes, sending all 1,196 crew members into the shark-infested waters. There were only 317 survivors. The memorial, made of limestone and granite, lists all crew members' names and tells the ship's story.

*North end of Central Canal,
Senate Avenue and Walnut Street,
317.232.7615*

Visit Indy!

Crown Hill Cemetery is the nation's third-largest cemetery covering 555 acres across from the Indianapolis Museum of Art. Visit this urban oasis to enjoy its peaceful, park-like beauty; study the architecture, sculptures and trees; picnic; view wildlife; and study the history and heritage of the thousands of people buried here. Notables include President Benjamin Harrison, poet James Whitcomb Riley, Colonel Eli Lilly, and three U.S. vice presidents. Twice recognized as "Best Walking Tour" by *Indianapolis Monthly* magazine. *700 West 30th Street, 317.920.2644*

American Legion Mall

Spanning two city blocks and 24 acres of greenspace, the American Legion Mall is home to The American Legion National Headquarters, as well as memorials for both World Wars and Vietnam and Korea. The Sunken Garden/Cenotaph Square serves as a tribute to the first American, who was from Evansville, Indiana, killed in World War I. The World War II Memorial honors Indiana casualties and includes a freestanding column listing all the war's campaigns and operations. The Vietnam segment reflects the 1,525 names of Hoosiers killed in the conflict. The Korean segment lists the 927 Hoosiers killed in action in Korea.

Meridian and North Streets

University Park

Located one block south of the Indiana War Memorial Plaza, the park features the Depew Fountain. Statues honoring Benjamin Harrison, Indiana's only president; Abraham Lincoln; and Schuyler Colfax are also displayed.

Meridian and Vermont Streets

Congressional Medal of Honor Memorial

Twenty-seven curved glass panels display the names of 3,469 recipients of the Medal of Honor, an award given by Congress for military valor. The one-acre memorial represents conflicts from the Civil War through the wars in Afghanistan and Iraq, and at dusk, a sound system plays recorded stories about medal winners and the conflicts in which they fought.

White River State Park, 850 West Washington Street, 317.261.5447

Historic Homes

Benjamin Harrison Presidential Site

A National Historic Landmark and home of the 23rd U.S. president, this three-story Italianate mansion features Victorian furnishings, many of Harrison's pieces and a reconstructed carriage house. Changing exhibits showcase Harrison's life as Indiana's only elected president, his family, and the Victorian era. *1230 North Delaware Street, 317.631.1888*

James Whitcomb Riley Home

Visit the historic home where the Hoosier poet spent his last 23 years. Many of his belongings are showcased in one of the finest Victorian preservations in the country. *528 Lockerbie Street, 317.631.5885*

Morris-Butler House

Guided tours of this beautifully restored 1885 home showcase the architecture, history, culture, and society of Indianapolis during the 19th century. *1204 North Park Avenue, 317.636.5409*

TOP 10 *Things To Do In Indy*

#1

INDIANAPOLIS ZOO & WHITE RIVER GARDENS

Pet sharks in the nation's largest shark touch tank, suit up for an in-water dolphin experience, or interact with birds at the "Flights of Fancy" exhibit. This TripAdvisor Top 10 Zoo is triple-accredited as a zoo, aquarium and botanical garden.

#2

INDIANAPOLIS MOTOR SPEEDWAY & HALL OF FAME MUSEUM

The iconic 2.5-mile oval is host to the world's largest single-day sporting event, the Indy 500, and captures the rich 100-year old history of the "Racing Capital of the World."

#3

EITELJORG MUSEUM
